## **Mahendra Vikramdass Punchoo**

**Second Deputy Governor, Bank of Mauritius**  
*Mauritius*

Mr Mahendra Vikramdass Punchoo was appointed Second Deputy Governor of the Bank of Mauritius with effect from 30 December 2014. As Second Deputy Governor, he is a member of the Board of Directors and of the Monetary Policy Committee of the Bank of Mauritius.

Mr Punchoo joined the central bank in 1989 as a Research Officer in the Research Department of the Bank. He was promoted to the post of Senior Research Officer in 1995 and subsequently to post of Assistant Director Research in 2005. In 2007, following a restructure at the Bank, he was promoted to the post of Head Economic Analysis Division and in 2011, after a job rotation exercise, he moved to the Statistics Division as Head until his appointment as Second Deputy Governor.

Mr Punchoo has co-authored a case study on the compilation of data on special purpose entities in Mauritius for the International Monetary Fund's Balance of Payments and International Investment Position Compilation Guide 2015. He has also made several presentations on data issues, monetary policy and financial stability at various international meetings. As Head of Statistics he was a member of the Special Data Dissemination Standards (SDDS) Technical Committee and was instrumental in Mauritius achieving membership of the IMF SDDS group of countries in February 2012, the second Sub-Saharan African country to achieve this landmark. He was also the representative of the Bank on the Irving Fisher Committee on Central Bank Statistics at the Bank for International Settlements.

Mr Punchoo holds a Maitrise en Sciences Economiques from Université Aix Marseille III, France, and an MSc in Economics from Birkbeck College, University of London.

**Grégoire Roos**  
**Research Officer, AfricaFrance**  
*France*

An international economic law graduate from Sciences Po, Grégoire also holds degrees in international economics, history and philosophy (Sciences Po & Paris-Sorbonne university) and currently pursues a research master in social sciences of religions at the School for Advanced Studies in the Social Sciences (EHESS).

Prior to his joining AfricaFrance, Grégoire worked on international development issues, focusing on development economics, public finance and tax policy for several international organisations, both in France and Africa (OECD, UNDP...). Special Advisor for Youth and Social & Human Sciences to the President of the French Commission to UNESCO, Grégoire is a former Youth Ambassador to the UNESCO Youth Forum (2015).

**Marc Uzan**  
**Executive Director, Reinventing  
Bretton Woods Committee**  
*France*

Marc Uzan is the Executive Director of the Reinventing Bretton Woods Committee and was its founder in 1994. The Committee is a think-tank focusing on the international financial architecture issues through a regular dialog between markets and governments. He works closely with central banks, ministries of finance around the world, and also with the different chairs of the G20 since its inception in 1999, by bringing different stakeholders together in numerous seminars around the world on issues related to global finance. He is also the member of the Advisory Committee of International Finance Forum, and Member of the Advisory Board of Central Banking and Member and Vice President of the Eurasia Club of Economists Scientists.

Marc Uzan is the editor of numerous volumes: *Financial System Under Stress – A New Architecture of the World Economy*, Routledge, March 1996; *Private Capital Flows in the Age of Globalisation*, Edward Elgars Publishers, 2000; *Capital Flows without Crisis*, Routledge 2001. *The future of the international monetary System* (2004) and a handbook on the international financial architecture with Nouriel Roubini (2006), and *the International Monetary System, the IMF and the G20* (Palgrave 2007) and *the macroeconomics of globalisation* (2008).

He is the author of several academic papers on the new architecture for the international financial system. He holds a Master Degree in International Economics and Finance from the Université de Paris Dauphine. He has been a visiting scholar at the Department of Economics of the University of California, Berkeley.
