

Invitation to Media to attend the 16th Global Meeting, Emerging Markets Forum, Marrakech, Morocco

Policy makers, Central Bank Governors, Heads of International Organizations, private sector leaders from around the world will attend the 16th Global Meeting of the Emerging Markets Forum, co-hosted by Policy Center for the New South.

Details of the Meeting:

When: **October 10-12, 2023**

Venue: **Dar Al Phosphate, Marrakech, Morocco**

Keeping in mind the current global situation, the agenda is built around the overarching theme: *Improving Governance to tackle Climate Change, Inequality and Global Fragmentation*

The meeting will be structured around the following key themes:

- State of the Global Economy and its Implication for the Emerging Market Economies
- Climate Change: The Big Challenge – How would Emerging Economies Finance their transition to Net Zero
- Future Economic and Social Development of Africa
- Food Security, Climate Change and Agriculture Production
- Improving Governance and the importance of Robust Institutions
- Reforming the Multilateral System

Report of the G20 Independent Expert Group on *Strengthening Multilateral Development Banks* will be released at the Meeting. The Forum's latest flagship publication entitled *From Here to Denmark* will also be launched.

All sessions are open to the media. Journalists are also welcome to interview panel members and high-level officials attending the Meeting.
